WHAT ELSE DOES CHEVENING OFFER?

With our world facing countless challenges, Chevening is looking for the kind of people who have the passion, ideas, and influence to provide the solutions and the leadership we need to create a better future.

The UK Foreign and Commonwealth Office offers this unique scholarship because we believe that education and international networks are vital for developing effective future leaders.

We believe that Chevening will not only open doors, it will also open your mind.

During your year in the UK, you'll be exposed to a range of exclusive events, networking opportunities, and trips across the UK. Previous scholars have visited 10 Downing Street, hiked up Mount Snowdon, exhibited art in London galleries, interned at the BBC, volunteered with the elderly, debated at the Cambridge Union, and sat in the home dressing room at Anfield. All this, whilst studying on an intense master's course.

You will learn about your subject matter, and about the UK, but – most of all – you will learn about yourself.

We hope that this challenging but enriching year studying in the UK will inspire new ideas within you, empowering you to return home and bring your ideas to life.
