It is our pleasure to welcome you to our University. This guide is addressed to all foreign students who are going to study at Universidade Federal de Pernambuco. This may be your first visit to Brazil and we are sure you may have many questions. One of the objectives of this guide is to answer some of them before you arrive, in order to ease your integration into academic life here. In the following pages you will find a general description of our University, some practical advice which will be of use before leaving your own country, and information about your arrival in Recife, university services, as well as addresses of interest.

Studying in a foreign country is both an exciting and a challenging experience. The International Office would like your stay in Recife to be productive and enjoyable. Our city offers a broad variety of cultural activities, which we hope you will enjoy.

The International Academic Mobility Program for foreign students was created with the goal of providing opportunities for qualified young people who want to enjoy an academic and cultural experience in Brazil for a period of their university life. Besides having the opportunity of getting to know the Brazilian way of life, these students help the UFPE campus to become more dynamic. They bring with them new experiences, lifestyles and ideas, making the campus inside and outside the classrooms more enriched and exciting.

The International Office is also responsible for disseminating information about the programs of international cooperation and for providing support for student’s participation in international academic mobility programs since their arrival until their return to their country of origin.
UFPE IN NUMBERS

Community
43375 Students
30678 Undergraduates
12697 Graduates
2834 Faculty Members
(79.8% PhD)
4184 Administrative Staff Members

Courses
105 Undergraduate Programmes (5 Distance Learning)
189 Postgraduate Programmes
51 PhD
82 Masters
56 Specializations

Internacional
Received over 1200 students from 34 different countries
Almost 200 Cooperation Agreements
Sent almost 3000 students abroad in the last 7 years

Excellence
200 years of legacy – one of the first universities in the country
Focus on Research and Innovation – over 2300 active researchers and world reference in the HIV research
15th position in Brazil (QS Universities Ranking 2016 LA)
12th position in Brazil (Ranking Universitário Folha – RUF 2016)
Courses among the best in the country, according to RUF 2016:
Tourism – 3rd best course in Brazil
Physics – 5th place
Computing, Social Service and Law – 6th place
Mathematics and Psychology – 7th place
Biomedicine, Physiotherapy, Chemistry and Automation Engineering – 9th place
Civil Engineering, History and Geography – 10th place
Located in the Northeast of Brazil, the Universidade Federal de Pernambuco (UFPE) is one of the best institutions of Higher Education in the country. Its history goes back to the foundation of the first Law School in the country, in 1827. On August 11th, 1946, the Law School, the Engineering School, the Medicine School, the School of Dentistry and Pharmaceutics and the School of Fine Arts and Philosophy decided to become part of one institution and the Universidade do Recife was founded. Later, the Universidade do Recife was integrated to the group of federal institutions that made up the new educational system of the country, receiving the denomination of Universidade Federal de Pernambuco. The construction of the new campus began in 1948, in an area which was then considered on the outskirts of the city, with a project developed by the Italian architect Mario Russo.

Universidade Federal de Pernambuco is one of the top universities in the country, regarding teaching and scientific research and is considered the best in the northern part of Brazil, according to evaluations from the Ministries of Education (MEC) and Science and Technology (MCT).

Recently, with the support of the Federal Government, UFPE has expanded its scope of practice and has widened its interaction with society, increasing the number of students in the already existing courses and creating new ones in response to social and economic demands focused on the new economic scenery of the state of Pernambuco.

Our mission is to promote the education of people and the formation of scientific and technical knowledge and abilities of international standards, according to ethical, environmental and cultural principles.

Rector: Prof. Anísio Brasileiro de Freitas Dourado
Vice-rector: Florisbela Campos
FACILITIES

3 Campi • 12 Academic Centres • 1 Central library + 12 Sectorial Libraries • 1 Restaurant • 6 Snack Bars • 804 Labs • 1 TV Station • 2 Radio Stations • Convention Centre • 1 Art Gallery • UFPE Press • Technology Information Centre • Physical Education and Sports Centre
UFPE’s International Affairs Office (DRI) is responsible for the mobility of students and for establishing cooperation agreements with institutions from all over the world. It allows students and professors from Pernambuco to acquire knowledge and share experiences with other countries and cultures.

The work developed in the International Office consists of guiding students and professors that seek information on options and procedures required to study abroad and to establish new international agreements. At the moment, UFPE has settled over 200 agreements with institutions from all of the continents.

Besides sending students to other Universities, the International Office is responsible for receiving foreign students that come to Pernambuco to take part on new academic experiences at UFPE.

Every year, the exchanges between UFPE and other institutions gets amplified. This growth is a result of the investment and attention given to the International Office.

The International Relations Office receives students from Monday to Friday, from 7:30 a.m to 7:30 p.m. Phones: + 55 81 2126-8006 / 2126-7021

UFPE, with the purpose of giving priority to academic excellence in exchange programs, will observe if the students fulfill the following prerequisites:

- To be regularly enrolled in a course offered by a partner institution;
- Having intermediate knowledge in Portuguese;
- Having an appropriate academic profile;

It is important to remember that all lessons are taught in Portuguese.

Duration of the program

The International Mobility Program determines that the foreign students may study in our institution for one academic semester, with the possibility of extending his stay for another semester, making it a total of one academic year. The activities which will be undertaken by the foreign students should be approved in advance by the course coordinators of both universities. If it is necessary to extend the exchange period, the request should be made official by the home institution and properly reviewed and approved by the coordinators of both institutions.
How To Apply

The foreign students are totally responsible for organizing the documents to be presented at UFPE. The validity, legality and on time delivery of documents are entirely the responsibility of the students, since the documents are personal and non-transferable.

The basic documentation to be submitted to participate in the International Academic Mobility Program is listed below:

- Application Form (available on the website: www.ufpe.br/ccii > Estudantes Estrangeiros > Formulário de Candidatura Intercâmbio UFPE);
- Study plan to be conducted at UFPE, in which the chosen disciplines with the academic loads, duration and number of credits should be described.

It is recommended that students register in a maximum of five disciplines. All of these documents must be signed and sent to the e-mail mobilidade.in@ufpe.br.

Application deadlines

Two calls are made during the academic year:

- First academic semester (February to June): registrations until November 30th.
- Second academic semester (August to December) : Registrations until May 31st.

The courses to which the students can apply to can be consulted at the end of this Guide.

Selection Process

Once the application form arrives at the International Office, it is sent to the coordinator of the intended programme at UFPE. After analyzing the documents of the foreign student and, with the confirmation of his approval, our International Office will send a document - the Letter of Acceptance - to the student or to the section in charge of international relations at the student's home university, confirming their acceptance to participate in the Program. This document is official and should be presented to Brazilian Authorities in order to obtain the student visa.

Financial terms

UFPE is a public university and does not charge tuition fees. Students should however be responsible for providing the costs for: airline tickets, accommodation, transportation, food, study material, and leisure. The average monthly budget suggested is R$ 2,000.00 (two thousand reais).
Academic load

The academic load is the number of hours required to obtain approval in different disciplines. One credit corresponds to 15 hours of class, and most subjects available at UFPE have a load equivalent to 04 credits or 60 hours a semester.

It is important to notice that, unlike the European Credit Transfer and Accumulation System (ECTS), UFPE’s academic credits do not take into consideration the hours of study extra class.

Evaluation system

The academic performance of the student will be verified by assessing the grade of the student and the verification of his attendance.

The evaluation of the academic performance of the student will be based on: written exercises, oral interviews accompanied or not by practical exercises, seminars, reports, practical work, research and internships, (under the guidance and supervision of a professor), development of an essay, and dissertation.

Student Visa

To participate in the International Academic Mobility Program or any other activity offered by UFPE, it is necessary that the students obtain the proper visa, valid throughout the period of permanence in Brazil, which should be obtained from the Consular Division of the Brazilian Embassy or the Brazilian Consulate in the student's home country, before leaving.

It is recommended that the request must be made in advance. It may take awhile from the processing of documents until the granting of the appropriate visa. Without the visa, the student cannot validate their registration at UFPE.

It is important to notice that it is not possible for the exchange student to enroll at UFPE if he only holds a touristic visa. There is also no possibility of switching the kind of visa you have after your arrival in Brazil. It would be necessary to leave the country before getting a new visa, so the student must not leave his country before receiving the student visa.

If there is a need for renewal, the student will have to submit the documents to the Federal Police Department thirty (30) days prior to the expiration date.

Health insurance

It is compulsory for foreign students to submit an International Health Insurance as soon as they arrive at the UFPE. A copy of this document will be kept at the International Office, in the student’s folder, in case it is necessary to contact the insurance in the event of an accident or illness.

Accommodation

Although UFPE does not provide accommodation for foreign students, we offer a list of places to stay. You can check the Accommodation List at the end of this guide. There are options near the campus or on other parts of the city. The rental conditions vary depending on the quality and location of the accommodation.

Usually, the is not much bureaucracy to proceed with the rental, and a passport and a proof of enrollment at UFPE suffice, but, in rare cases, the student will need to get a CPF (more information on this document is available on the next pages).
Documents required for obtaining a Student Visa

As a general rule, the following documents will be necessary to issue the visa:

- Acceptance Letter from UFPE
- Valid Passport
- 4x4 recent photo (with white background)
- Visa application form (available at the Brazilian Consulate in student's home country)

- Certificate of residence in the Consular Jurisdiction
- Consular fee (check directly at the Consulate in the student's country, since it can change in each country)
- Certificate of good criminal record issued less than 3 months ago by the responsible local authorities;

The required documents may change, so the student must check with the consulate of his/her country in order to obtain an updated list of documents necessary for obtaining the student visa.
ARRIVING IN BRAZIL

When to arrive at UFPE

We recommend that the student arrives at UFPE at least 15 days before the beginning of the classes so that he can have enough time to deal with enrollment and Policia Federal procedures and settles in his accommodation. It is also important to be here to take part in the welcoming events that DRI organizes for the international exchange students that arrive each semester, that usually happen on the week before the classes start.

At the airport

During international flights, all foreign passengers receive a document for entry into Brazil, which should be completed and presented to the Federal Police at the time of landing. This procedure is required to register the arrival in Brazilian territory and later to legalize their stay in Brazil. Again, we would like to remind you that the student must not leave his country before receiving the visa.

We suggest students to have a previous reservation in some type of accommodation before arrival, either temporary or permanent (see the item "Accommodation" on the previous page). To leave the airport the safest way is to take one of the registered taxis at the airport. There are taxis at all times and it is possible to pay for the transfer beforehand, in the airport, at the luggage claim, with either cash or credit cards.

By proceeding this way, the student avoids misunderstandings. If you are staying at a hotel, there are no problems regarding the time of arrival. If you are staying at a hostel or host family, it is better to inform them your time of arrival and plan in advance the best way to get there.

If your luggage does not arrive with you, you should make a formal written complaint to the airline company. Generally, there is a counter for this kind of complaints in the area where you claim the baggage. Your luggage will be delivered to the address you provide.

Students can exchange currency at the airport at the Câmbio Confidence which is opened 24 hours a day or at the Banco do Brasil agency opened from Monday to Friday from 10 am to 4 pm. Depending on your type of credit card, you will also be able to cash some money at the ATMs of the Banco do Brasil agency opened Monday to Friday from 10 am to 4 pm. Depending on your type of credit card, you will also be able to cash some money at the ATMs of the Banco do Brasil. However, if possible, it would be wise to bring some cash with you in the local currency.

Reporting at DRI and enrolling at UFPE

Once you arrive and settle in, you must go to the International Office, to fill out an international student form and receive information on how to properly register for the courses. You should bring a copy of your passport (identification page and the visa), and a copy of the International Health Insurance. After that, the International Office will issue a permit for registration at the University and an authorization for the Portuguese Language Course for Foreigners (more information on the next topic).

With this authorization for registering and the passport, the student should proceed to the Corpo Discente (Student Body) to acquire authorization for registering, and take this document to the Undergrad Course to confirm the disciplines and receive an authorization from the Coordinator. The student should then go back to the Corpo Discente to confirm his enrollment.

It is important to arrive before the classes to deal with the enrollment because, even though the student has made a study plan before arrival, only once he arrives he will be able to confirm that all of the subjects are available and that the hours don’t clash. You can solve this kind of problem until the end of the enrollment modification deadline, which usually ends 15 days after the beginning of the classes.

The International Office is located on campus, on the first floor of the Rectory Building: Hours: Monday to Friday from 7:30 am to 7:30pm.
Improving your Portuguese

UFPE’s Culture and Language Centre (NLC) offers a free course in Portuguese to our undergraduate exchange students. When the students register at the International Office they will receive an authorization to take the course. Graduate students will have to pay a fee that covers the semester.

More information at: ufpe.nlc@hotmail.com Telephone: +55 81 2126.8961.

Policia Federal Registration

The students will be informed that they have 30 days starting from the date of entry into Brazil to present themselves at the Federal Police Station located at the International Airport of Recife to legalize their stay here and to get an ID card for foreigners (Carteira de Identidade de Estrangeiro Temporário - CIET). If the students do not present themselves until the last day, a tax will be charged for each day of delay.

To proceed with register it’s necessary to fill out an application online and to pay a few taxes. There’s a LAN house at the airport where you’ll be able to do that in case you don’t have access to a computer.

- At the website www.dpf.gov.br, choose the option “Estrangeiro” on the menu on the left side -> “Requerer Registo / Renovação e Anistia” and follow steps 1 , 2 and 5 of the website.
- Step 1 – Fill out the form “formulario de pedido de registro, emissao de carteiras de identidade para estrangeiros (1ª e 2ª via)”;
- Step 5 – Select “Gerar GRU” and fill out the form, providing you personal data and your adress in Recife. In the space “Unidade arrecadadora” you must choose the option “Superintendencia Regional no Estado de Pernambuco”. The “Códigos da Receita”, are 140082 (registro de Estrangeiro - R$ 64.58 – sixty four reals and fifty eight cents) and 140120 (Carteira de Estrangeiro 1ª via - R$ 124.23 – one hundred twenty four reals and twenty three cents). Both taxes can be paid in any agency of Banco do Brasil. On the main occupation space you must choose “Estudante”;
- Step 2 – Schedule a visit to Policía Federal. If there’s no date available in the period of 30 days that you have to present yourself to register, choose any day and print the reservation sheet and go to the Policía Federal as soon as possible.

Required documents:
- Passport (copies of all used pages of the passport, including the original visa application)
- Two 3x4 recent color photos with white background;
- Copy of the document received once you entered Brazil (Cartão de entrada/saida);
- Receipt of paid fees;
- Filled in form (Step 1)
- Current brazilian visa acquired in the Brazilian Consulate of your home country and form of original visa request

The Federal Police is open from 9 am until 3 pm. 

Polícia Federal: estrangeiros@dpf.gov.br
(81) 3322-4950 / 3322-4951 / 3322-4948

Obtaining a CPF

CPF (Cadastro de Pessoa Física) is a personal document necessary for procedures like opening a bank account and registering for a few public and private services. It works as a database that’s maintained by the Secretaria da Receita Federal do Brasil (RFB), that holds personal information of all those that are registered.

To obtain the CPF the student must go to an agency of Banco do Brasil or Correios (Post Office) with his passport and the protocol that proves you’ve requested your Carteira de Identidade de Estrangeiro Temporário (CIET) at the Federal Police Office (check item above, Federal Police). You’ll receive a tax of R$5.70 (five reais and seventy cents). After paying the tax you must go to the Receita Federal Office, where you’ll provide the following documents:
- Passport;
- Receipt of paid fee (R$5.70);
- Proof of residence in Brazil issued in the last three months;
- Carteira de Identidade de Estrangeiro Temporário (CIET) or the protocol of request at the Federal Police Office.

You will receive the number immediately in case you choose to go directly to the Receita Federal Building. If you decide to start the procedures on a Post Office Agency (Correios) you will have to go to Receita Federal later to conclude it. Receita Federal is located at Av. Alfredo Lisboa, 1152, Recife Antigo. Phone: (81)3326-7476
Hours: 7.30am to 7.00pm.
Banco do Brasil

Foreign students are allowed to open an account at Banco do Brasil. The bank is open from 10am to 4pm. It is required that the person has a CPF (Cadastro de Pessoa Física) – check item above, and additional documents, such as a proof of enrollment at UFPE, might be requested.

Student ID or Card

The Student ID is made at the beginning of each semester in the centers of each course. After that period, the student should go to União Nacional dos Estudantes (UNE), located at Rua do Hospício 382, Boa Vista (downtown). UNE is open from 7:30am to 5pm. You will need a recent 3x4 photo, proof of enrollment at UFPE (original register confirmation or a declaration from the university), and your passport with a photocopy of your identification and visa or the Cadastro de Pessoas Físicas (CPF).

The student ID costs around R$20.00 (twenty reais) and it is payable at UNE. This ID will allow students to pay half entrance at cinemas, theaters and concerts. Phone: 3221 9698. More info: portaldameiaentrada@une.org.br

VEM Card (Public Transportation)

VEM (Vale Eletrônico Metropolitano) is the card of the electronic ticket service of the Recife Metropolitan Area (which includes cities like Olinda, Jaboatão dos Grarárapes, Paulista, São Lourenço da Mata and Cabo de Santo Agostinho, among others). The whole process of buying credits can be completed through internet and the cards can be recharged inside the buses.

The VEM card enables the students to half prices in all public transportation. The necessary documents to obtain the card are:
- Student Card (of the current year);
- Passport;
- Picture (taken at the moment of register);
- Certificate of Enrollment at UFPE (of the current semester)

The student must go to the “Posto de Emissão do Cartão VEM Estudante” located at Rua da Soledade, 259 na Boa Vista, between Av. Conde da Boa Vista and Rua do Progresso. Hours: First register, from Monday to Friday, from 8.30am to 5.30 pm

To proceed with recharging the student must use one of the electronic self-serving terminals available on the same building, from Monday to Friday, from 7am to 7:30pm. It is also possible to do it online, on the website www.vemgranderecife.com.br.

You must first click on the icon “Vem Estudante” and then on “Vendas OnLine”. You will be requested to fill in your personal information to be able to buy credits online. This will only be necessary on the first time you use this service. After you finish registering, print the bank slip and pay it in any Casa Lotérica, which has many agencies throughout the city, or in any Caixa Economica Bank Agency (there is one right beside the Rectory Building). The credits will be available in the next 48 hours.

More info: 0800 081 0158 or (81) 3182-5551 (in case the card is lost or stolen).
Here are a few facts about our city:

- Population: 1,608,488
- Fifth-largest metropolitan area in Brazil
- Almost 500 years old
- Also known as "Brazilian Venice"
- Average annual temperature: 25.8 °C (78.4 °F)
- Is the home of the biggest street carnival in the world – Galo da Madrugada – which gathers 2.5 million people in the city centre
- Near Fernando de Noronha, Carneiros, Pipa and Maragogi, elected by Tripadvisor as some of the most beautiful beaches in Brazil
- Near Olinda (considered as World Cultural Heritage by Unesco.)
- Elected the most welcoming host city of the World Cup in 2014 (80% of the tourists wish to come back)
- Our airport was elected by the passengers as the best airport in the country multiple times and is currently considered the 7th best airport in Latin America by the World Tourism Organization
- Brazil's Capital of Shipwrecks (17 sunken ships are available for visitation)
- Influenced by the native, Portuguese, African, English And Dutch cultures.
Before returning to your home country

There are many things to do when you come to Recife to live and study, but there are also many things to do before returning to your country. Some procedures that must be remembered:

- Try to take back with you your school transcripts, if possible;
- If it is not possible to take your grades with you, ask the International Office to do so by email;
- Request your professors’ emails, in case you need some information later;
- Close your bank account, if you had one;
- Close your Internet, telephone, cable television, electricity and water accounts, if you had any;
- Return books borrowed from UFPE’s libraries
